About The Caucus Room Brasserie(www.crbrasserie.com/crbrasserie/index.html)

Is a modern day American interpretation of a French brasserie. Capturing the perfect mix of modern elegance and casual warmth, the restaurant opens onto a European Courtyard through grande French glass doors. Guests descend into the restaurant down a sweeping glass and steel staircase with views to a white Parisian marble bar, vaulted ceilings, walnut edge tables, and a five foot custom crystal chandelier. The menu features classic French cuts of meat composed with a modern flare, fresh local seafood, handmade pasta, artisan cheeses and freshly roasted French press coffee.
